3rd / right

TYPOGRAPHY

Archivo Black

Display headings

ANTON SHOWCASE

Showcase / wordmark (brand allowlist)

Inter handles body copy, UI, and long-form reading.

Body + interface

CLEAR SPACE & USAGE

Keep clear space around the mark equal to the height of the "E" in the wordmark. Never recolour the mark outside this palette. The podium silhouette must read in a single ink when colour is unavailable. Egen Games is always two words, both capitalised.
